Take A Seat...

One of the many benefits of marrying at our venues is that each location has fully licensed indoor and outdoor spaces. So, whether you want to say your 'I Do's' in the fresh air or walk the aisle under a canopy of indoor fairy lights, we'll be able to make your ceremony dreams a reality.

It's not only important for us to provide you and your guests with comfortable seating throughout the day, but for the furniture to complement your overall wedding vision.

So, we have a variety of seating options to suit your personal style.

In addition to seating, you can also change up your table style. Opt for our standard round table, a covered long table or treat yourself to our Rustic Trestle Tables - a true favourite.

For indoor ceremonies and your wedding breakfast, Chiavari Chairs come as standard. For an outdoor ceremony, seating will need to be added.
