## TAKE A SEAT

One of the many benefits of marrying at our venues is that each location has fully licensed indoor and outdoor spaces. So, whether you want to say your 'I Do's' in the fresh air or walk the aisle under a canopy of indoor fairy lights, we'll be able to make your ceremony dreams a reality.

It's not only important for us to provide you and your guests with comfortable seating throughout the day, but for the furniture to complement your overall wedding vision. So, we have a variety of seating options to suit your personal style.

In addition to seating, you can also change up your table style. Opt for our standard round table, a covered long table or treat yourself to our Rustic Trestle Tables - a true favourite.

For indoor ceremonies and your wedding breakfast, Chiavari Chairs come as standard. For an outdoor ceremony, seating will need to be added.

## THE CHOICE IS YOURS!

Marrying outdoors and dining in? You're welcome to choose different chairs for your ceremony and wedding breakfast.

A wedding party is running out of a church. The bride is in the center, wearing a white lace dress and holding a bouquet. She is running towards the camera. To her left is the groom, wearing a light-colored suit. They are surrounded by bridesmaids in light-colored dresses, also running. The church is made of stone and has a large arched doorway. The scene is set outdoors on a gravel path. The text "HOW TO ORDER" is overlaid in the center of the image.

# HOW TO ORDER

## TAKE YOUR PICK

Once you're happy with your crockery decisions, email your venue planning team. They will check your choices for your date.

Your planning team will get back to you with availability along with an appropriate invoice.

We will hold your requested items for 14 days. We kindly ask for full payment to reserve them for your wedding.

Unfortunately, if we do not receive payment within 14 days, we will have to release your order. We cannot refund or exchange items once payment has been received and the items have been reserved. You can increase the quantity of products subject to availability.

Once payment is received, the items are yours for your day and we'll arrange the rest!
